Rock & Roll Summer Camp in Chatham

The Music Center is proud to present their fourth Rock & Roll Summer Music Camp beginning July 11, 2011.

Our concept is simple. Kids between the ages of 9-15 get together and learn all the skills necessary to play in a band.

The students will be supervised and rehearsed by an instructor with years of experience playing in a band. They will be given one song of the instructor's choice, one song that they will choose as a group and one song that they will write themselves. The students will vote on a name for their band and will design a cover for their cd that they will record at the end of the week.

Requirements:

Participants must be between the ages of 9-15. They must have at least 6 months experience playing their instrument.

The studio will provide drums, amps, microphones, keyboards, cds. Guitar students must bring their own instruments. If the student doesn't have access to one, rentals are available.

Students must bring their own bag lunch. A refrigerator is located on site if necessary.
